*As our centennial celebration begins, this booklet is dedicated to the many priests, religious, parishioners and benefactors who carried our parish and our church so grandly during these first one hundred years.*

*With sacrifices and dedicated efforts, they gave us many glowing memories of the past, a vibrant vitality in the present, and a bright hope for the future.*

*May all of us, beneficiaries of such goodness and generosity, take up the torch they passed on to us and continue to take pride in the great traditions they left us, so that we may in turn hand them over to our children and our children's children.*

My dear Friends in the Lord Jesus:

Your Centennial theme, "Celebrating 100 Years of Service to God's People" is an inspiring note upon which to build a future of continuing service to St. Andrew Parish and to the Calumet City community.

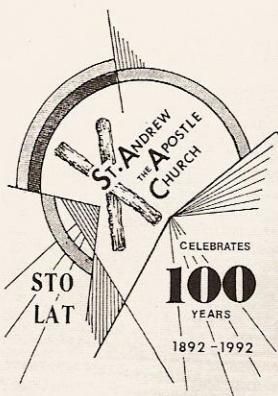

Be assured of my special prayers throughout this important year in the history of St. Andrew's. May God continue to bless you all and to work good things through you.

With cordial good wishes, I remain

Dear Friends of St. Andrew:

We have been truly blessed by the Lord. We have been given the privilege of being witnesses to a unique, historic event. By the grace of God we are able to celebrate the Centennial of St. Andrew the Apostle Parish and Community. One hundred years of loyal service and dedication and sacrifice in testimony to the presence of the Lord Jesus in our midst.

Today many thousands of our ancestors stand before the glory of God to give thanks. We have withstood fire, storms, lightning, depression, opposition and uncertainty. These have served only to strengthen our resolve to proclaim the Good News - to make available the Sacraments of the Lord in an edifice that stands as a testimonial to the pride and self-giving of those who went before us and of those who today continue in the tradition of their forefathers.

God bless you now and always.

Dear Parishioners:

It is with joy in my heart that I write these few lines with you in mind. In the ten years in which it has been my good fortune to come to know you, the "People of God" here in St. Andrew Parish has continued to grow and develop into a true "Faith Community."

Our centennial celebration is one more proof of the continuing inspiration of the Holy Spirit who directs us to open ourselves to the stimuli of his divine inspiration. It is a time for celebrating the many people who have preceded us and built a tradition of faith and love. It is also a time to celebrate the present parishioners, supporters and friends of St. Andrew.

On this happy occasion let us all be close spiritually to one another as members of one parish community, praising and thanking God, who for the past hundred years has been among us, leading us in the way of justice and holiness of life.

To all the generations who during the past ten decades dedicated themselves, their energies, their time and their love for the betterment of our parish, and to all of you and to all of them, may God and our Blessed Mother and our Patron, St. Andrew the Apostle, grant you an abundance of graces and blessings together with my personal sentiments of love and gratefulness.

Sincerely yours in Christ,

Reverend and dear Father Jarzynski,

Congratulations to you and the entire parish family of Saint Andrew the Apostle Parish as this marvelous community of faith celebrates its Centennial.

The joyful sound of our traditional Polish STO LAT! has often reverberated at various parish activities at Saint Andrew's, and now by the grace of God it rings true for the parish itself.

A list as long as the Litany of Saints can be compiled in gratitude to Saint Andrew's priests and sisters, deacons, lay ministers and lay teachers, organizations and societies, children, youth, adults and seniors, mass-servers, sacristans, organists and music directors, choirs, maintenance men, volunteers galore and thousands of fervent worshippers and sacrificing and dedicated parishioners. Their deeds are recorded in the Golden Book by God's Angel.

Along with you and your parishioners, I give thanks to God and pray that Saint Andrew's will continue to be a vibrant Christian community as it walks in the footsteps of Christ into a new Centennial and a new Century.

With prayerful best wishes, I am

Dear People of St. Andrew's,

On the occasion of the Centennial of St. Andrew the Apostle Parish, let me extend to you my warmest congratulations and gratitude.

It takes years very often to see a dream become fulfilled. This celebration of the long-ago dream of the founders of St. Andrew the Apostle Parish has become a reality today because of your willingness to carry on that dream by taking responsibility for this parish and making it grow and flourish. Ours is but a moment in time in the history of St. Andrew's, but the love that is shown in your on-going support gives witness to the impact that St. Andrew Parish has had on your lives, and to the value you have placed on your Catholic faith.

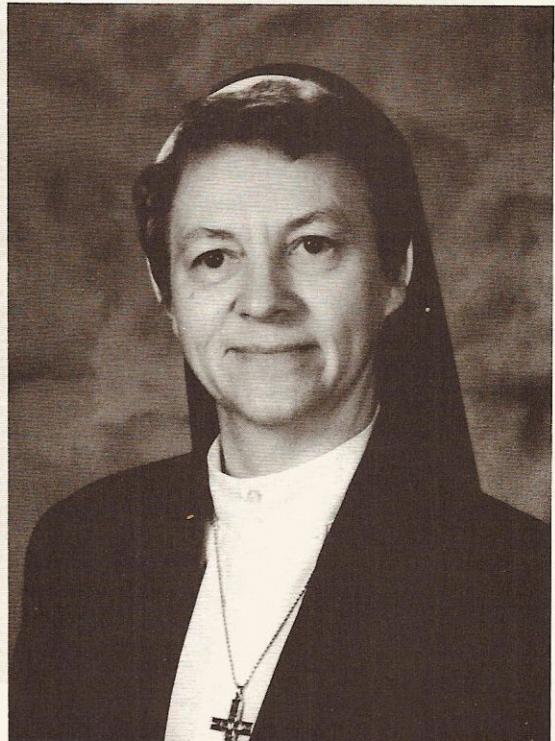

My prayer as we begin the second centenary of our parish is that God will bless each of you with the enthusiasm to keep the dream alive for yet another hundred years by giving your support and encouragement to all those who will be the future of this parish.

You have been given a great legacy. You have used it wisely. Do not fear placing it in the hands of the parishioners of the future. May God continue to bless your efforts.

Loving in the Holy Family,

# ST. ANDREW THE APOSTLE

## A BIOGRAPHY

Andrew was born in Bethsaida, in Galilee and was St. Peter's brother. The date of his birth has not been recorded anywhere. He was called with Peter to be Jesus' apostle. "As Jesus was walking along the Sea of Galilee he watched two brothers, Simon, now known as Peter, and his brother, Andrew, casting a net into the sea. They were fishermen. He said to them, 'Come after me and I will make you fishers of men.' They immediately abandoned their nets and became his followers."

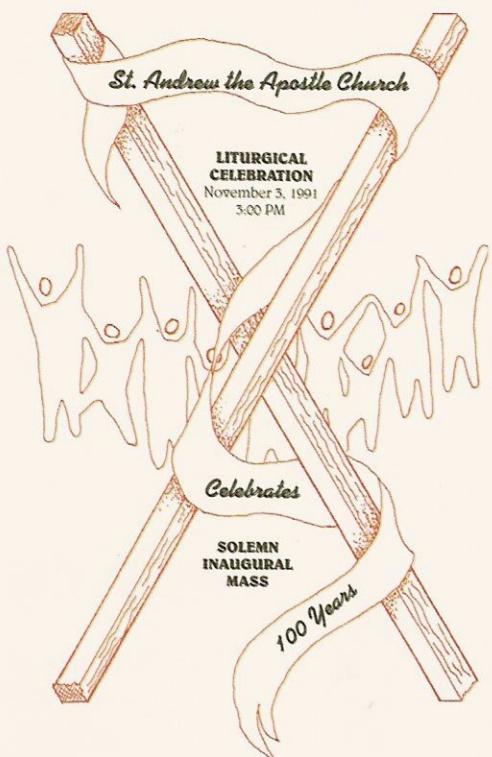

John the Evangelist presents Andrew as a disciple of John the Baptist. When Jesus walked by one day, John said, "Behold the Lamb of God." Andrew and another disciple followed Jesus. He turned around and noticed them following him. He asked them, 'What are you looking for?' They said to him, 'Rabbi, where do you stay?' He answered, 'Come and see.' So they went to see where he was lodged, and stayed with him that day.

Little else is said about Andrew in the Gospels. Before the multiplication of the loaves, it was Andrew who spoke up about the boy who had the barley loaves and fishes. When the Gentiles went to see Jesus, they came to Philip. But Philip then had recourse to Andrew.

Tradition has it that after Pentecost, Andrew preached the Good News in what is now modern Greece and Turkey. He was put to death by crucifixion at Patras, in Greece, in the form of an X shaped cross.

As in the case of all apostles except Peter and John, the Gospels give us little about the holiness of Andrew. He was an apostle. That is enough. He was called personally by Jesus to proclaim the Good News, to heal with his power, to share his life and death. Holiness today is not different. It is a gift that includes a call to be concerned about the kingdom, an outgoing attitude that wants nothing more than to share the riches of Christ with all men.

# HISTORY OF ST. ANDREW THE APOSTLE PARISH

St. Andrew the Apostle Church was the first Catholic parish established in Calumet City, which was named Sobieski Park by early Polish residents. Although the town was later called West Hammond, it was incorporated as Calumet City on August 1, 1911.

The foundation of a church was laid on September 27, 1891 by Reverend Francis Gordon, CR, acting principal of St. Stanislaus College in Chicago. The land on which this church eventually was built had been donated by the real estate firm of Reed and Stevens in an attempt to populate the area.

1st Pastor

The parish was not organized until February 25, 1892, when Reverend Francis M. Wojtalewicz was appointed pastor. He came to Sobieski Park from Downers Grove, Illinois, where he had organized the mission of St. Mary Gostyn (now in the Joliet diocese).

Old church burning

With the help of thirty-four families, Father Wojtalewicz was able to complete the construction of St. Andrew Church at a cost of nearly \$8,000. Unfortunately, a tornado on June 13, 1892 destroyed the frame structure. Undaunted, the pastor and his parishioners began the task of rebuilding the church — this time with bricks. With the lumber from the frame church, a rectory was constructed at a cost of \$1,400.

On September 24, 1892, *The New World* reported: "The new Polish Parish at Hammond will be known as St. Andrew's. The pastor, Reverend F. Wojtalewicz, is building a brick church which he hopes to occupy this fall."

On May 14, 1893, Archbishop Patrick A. Feehan dedicated the church. St. Andrew school was built in July 1893, but it did not open until the following year.

From 1893 to 1896, St. Columba Church in Hegewisch on the far southeast side of Chicago was a mission of the Polish parish in Calumet City.

Dedication of bells in old church

On September 1, 1894, The New World reported that about eighty children had registered to attend St. Andrew School which was staffed by "two competent teachers teaching English, Polish, and other branches common to elementary schools." By August 1895, 150 families belonged to the parish with 110 children enrolled in the school.

Father Wojtalewicz was appointed pastor of Immaculate Conception Church in South Chicago in September 1895. His successor, Reverend Victor Zalewski, had been pastor of Immaculate Conception Church since January 13, 1894. Unfortunately, Father Zalewski was able to serve the people of St. Andrew the

Apostle parish for only a few months. He died on May 16, 1896 at the age of thirty-six.

Reverend Francis Byrgier succeeded Father Zalewski as pastor. About this time, the Sisters of St. Francis from Lafayette, Indiana agreed to staff the parish school which had been enlarged to accommodate the growing number of school age children in Sobieski Park.

On October 23, 1901, a fire destroyed the G.H. Hammond meat packing company which had been a major source of employment in the town. As a result, half of the 400 families of St. Andrew the Apostle parish moved to Chicago when the meat packing plants were relocated.

Following Father Byrgier's death on December 15, 1901, Reverend Boleslaus Nowakowski was appointed pastor. Father Nowakowski had been pastor of SS. Peter and Paul Church which was then located at 37th and Charleston (later Justine) St. on the south side of Chicago.

In 1908, the Sisters of the Holy Family of Nazareth began their work in St. Andrew the Apostle parish. At first the Sisters resided in a private home but in 1911, they moved into a permanent convent. A new school and the present rectory at 768 Lincoln Avenue were constructed in 1914.

Photo taken in front of original old school

On January 27, 1918, St. Andrew the Apostle Church was once again destroyed — this time by fire. Until the present edifice was built in 1931, the congregation worshipped in the basement of the school building.

In 1921, Father Nowakowski was appointed pastor of St. Ladislaus Church on the northwest side of Chicago and Reverend Anthony Halgas was named pastor of St. Andrew the Apostle Church. Father Halgas had been the first resident pastor of St. Ladislaus parish.

Monsignor Anthony Halgas with graduating class. Picture taken at the side of Convent.

By 1925, 765 students were enrolled in the school under the direction of eleven Sisters of Nazareth. In that year, St. Victor Church was organized at Hirsch and Memorial Drive in Calumet City.

Under Father Halgas' leadership, a building fund was established for a new church. In 1928, Father Halgas was named a Papal Chamberlain with the title Very Reverend Monsignor.

On July 27, 1930 Auxiliary Bishop Bernard J. Sheil laid the cornerstone of St. Andrew the Apostle Church which was constructed at 155th Place and Lincoln Avenue. The Romanesque structure, designed by the architectural firm of Sandel and Strong, was dedicated on October 18, 1931 by George Cardinal Mundelein.

In the spring of 1932, Monsignor Halgas was appointed pastor of the Polish parish of St. Casimir in Chicago. His successor was

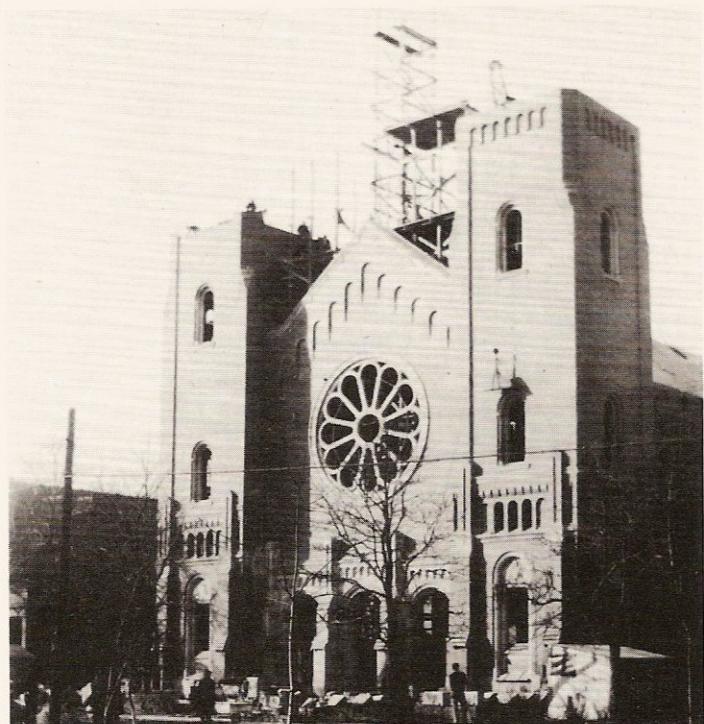

Reverend Joseph Sehnke, who had been pastor of St. Joseph Church in Summit, Illinois.

When Father Sehnke began his long

pastorate on May 8, 1932, approximately 800 families belonged to the parish.

On October 11, 1942, Archbishop Samuel A. Stritch presided at the golden jubilee of the founding of St. Andrew the Apostle parish. With the generous support of his parishioners, Father Sehnke was able to pay off the \$200,000 parish debt by November 30, 1945, the feast day of St. Andrew.

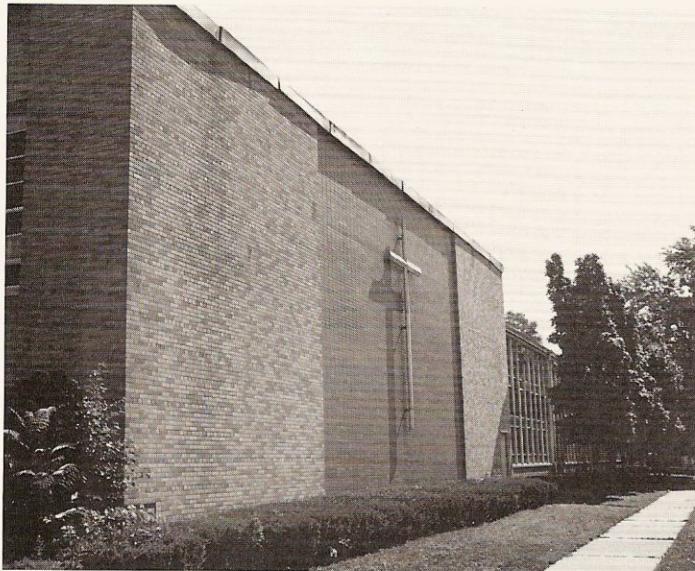

Reconstruction of Twin Towers

In August 1947, the parish was faced with the financial burden of reconstructing the twin towers of the church which had been declared structurally unsafe. The entire project was completed at a cost of \$100,000.

In 1949, Father Sehnke was named a Papal Chamberlain with the title Very Reverend Monsignor. Under his leadership, beautiful stained glass windows were installed in the church. Included in the renovation program were four new marble altars which were dedicated by Cardinal Stritch on September 25, 1955.

A third Catholic parish, Our Lady of Knock, was organized in July 1957 on Hirsch Street and 163rd Street in Calumet City.

New school 156th St. view

Through the generosity of the people of St. Andrew parish, Monsignor Sehnke was able to finance the construction of a new school at 331-155th Place. Cardinal Meyer dedicated the modern two story brick school on September 27, 1961. The old school was razed and a gymnasium was added to the new structure.

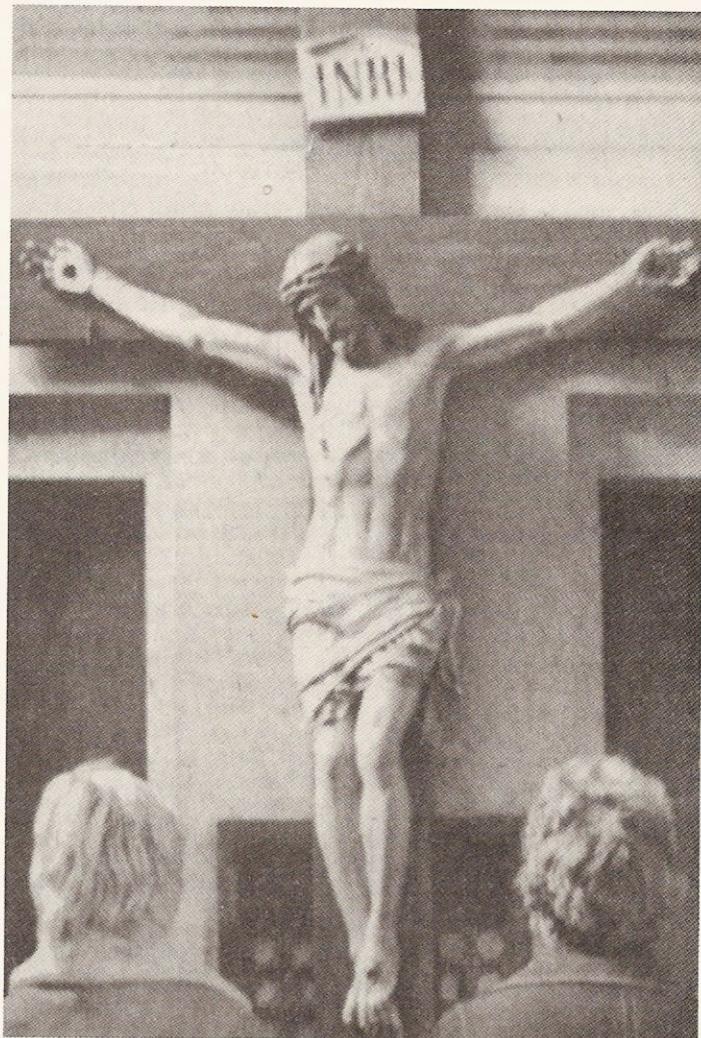

Monsignor Sehnke died on March 3, 1962 at the age of 74. His successor was Reverend Edward S. Krakowski, who came to Calumet City from the Hyde Park neighborhood in Chicago where he had been pastor of St. Thomas the Apostle Church. Father Krakowski had served as an assistant at St. Andrew Church from 1944 to 1946.

In 1962, enrollment in the parish school numbered 706 students under the direction of eleven Sisters of Nazareth and five lay teachers.

Father Krakowski celebrated the 40th anniversary of his ordination on April 23, 1967. Auxiliary Bishop Aloysius J. Wycislo presided at the special Mass and more than 600 friends and parishioners attended a testimonial dinner in the parish hall.

Under Father Krakowski's leadership, many improvements were made in the parish plant prior to the 75th jubilee, which was celebrated on November 5, 1967.

Named pastor emeritus in July 1973, Father Krakowski died on April 16, 1976 at the age of 72. His successor, Reverend Ervin R. Wysocki, was very familiar with St. Andrew the Apostle parish, having served as an associate for seven years.

Crucifix in Vestbule of Church

Although St. Andrew remains a predominantly Polish parish, Irish, German, Hispanic and Italian families are also members of the congregation. A national parish, it serves families who live in the area bounded by Burnham, Illinois on the north; the Cook-Will County Line on the south; the Calumet Expy., on the west; and the Illinois-Indiana State Line on the east.

Parish membership has steadily increased in recent years from 1,310 families in 1971 to 1,530 families in 1978.

Under the leadership of Father Wysocki, much needed repairs were made to the existing buildings in the parish plant. Many families moving from the South Chicago area were welcomed into the parish by Father Wysocki which increased the number of families to approximately 2,000.

The Post Vatican II era had a full impact at the coming of Father Ed to the parish. The changes have gradually taken in and absorbed and accepted in general by the parishioners. The laypeople have gradually taken the initiative in many parish projects. With this

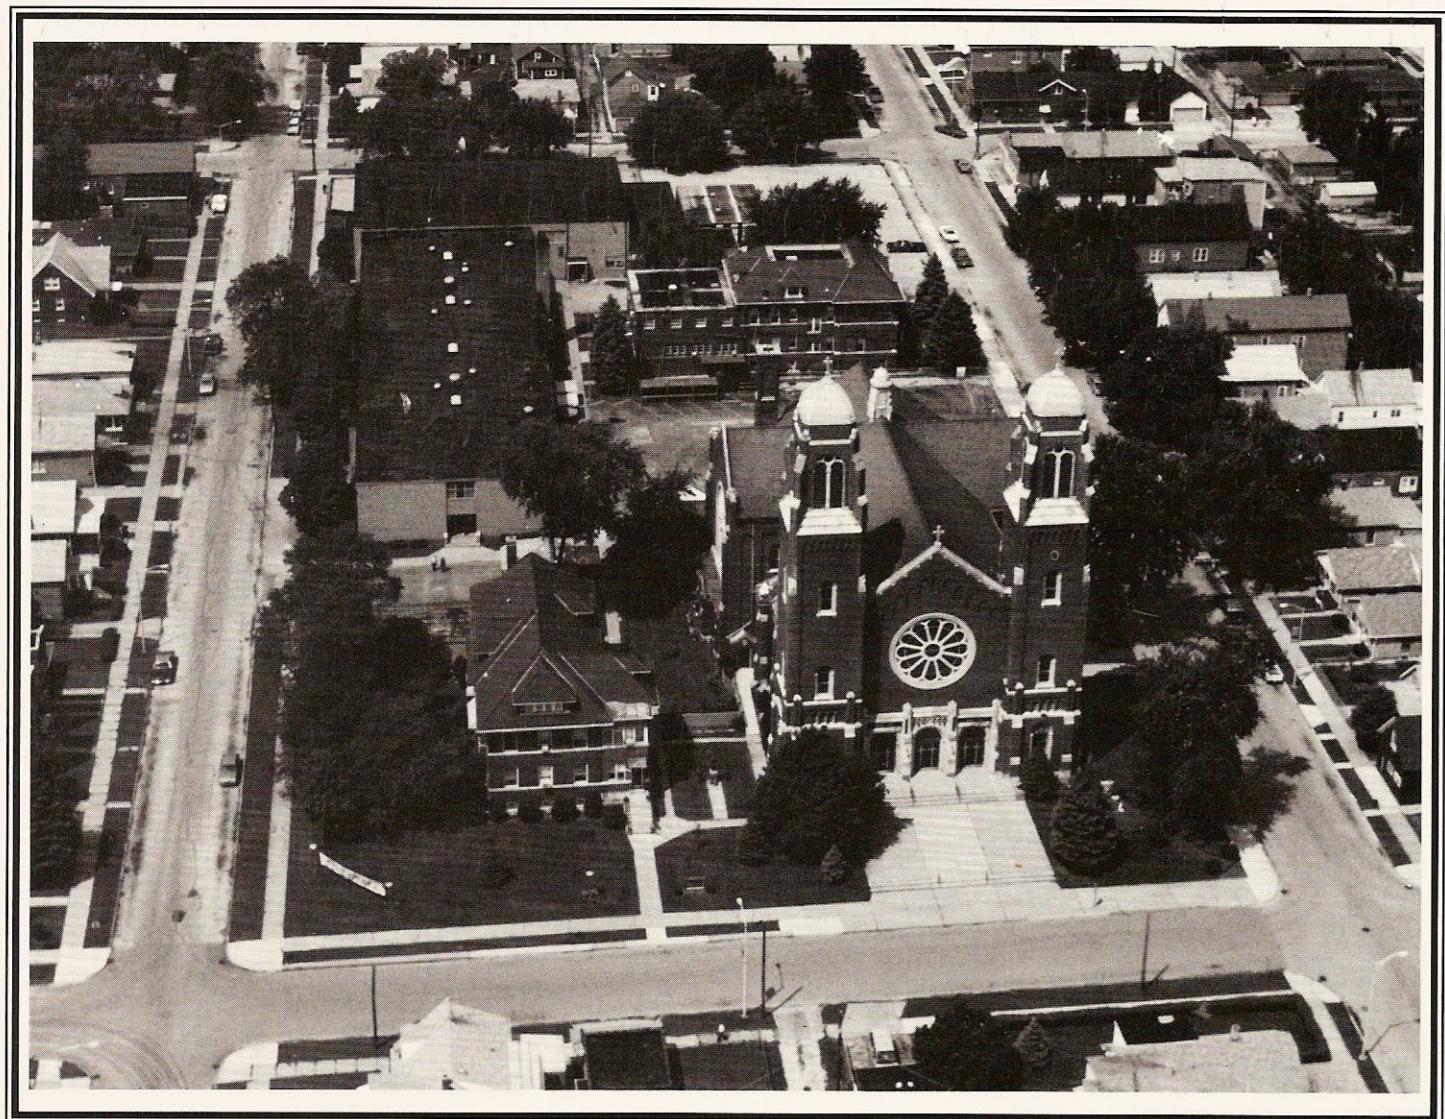

all, the physical aspect of the parish church has not been neglected. A new sound system was installed and paid for. The inside of the church had a thorough cleaning, repainting and redecorating. The church was carpeted, the roof and towers were repaired and reconditioned. The school roof has had a general overhauling and a parish social center was established as an annex building to accommodate the organizations and parish societies.

Active parish organizations include the Ladies' Rosary Confraternity, the Apostleship of Prayer, Sacred Heart Society, St. Andrew the Apostle Women's Club, St. Andrew the Apostle School Board, Holy Name Society, Guadalupe Society, Czestochowa Committee, Confraternity of Christian Doctrine, Scouting Program, and other organizations indirectly connected with the parish: The Order of Alhambra, the Knights of Columbus, and the various fraternals including the Polish Roman Catholic Union, Polish National Alliance, and the Polish Women's Alliance.

John W. Frew, staff member of the *HAMMOND TIMES*, in an extensive article written in the December 13th 1953 issue, wrote the following about St. Andrew Church: "Bronze grillwork," hand wrought in the workshops of the Vatican in Rome, ton upon ton of delicately shaped marble, tiny scroll designs touched by hand in gold leaf, are transforming a Calumet City church into one of the most beautiful in the United States." And so it was and still is now: your church, the mother church of all the Catholic parishes in the city. The recent painting and redecorating initiated and completed by the present pastor, Father Edward Jarzynski, have only enhanced the beauty of the original work of art envisioned and put to completion by the indefatigable and energetic pastor, Monsignor Joseph A. Sehnke and paid for by the generous sacrifices of the parishioners. Workmen in Munich and Pietra Santa in Rome, Italy, France and Belgium labored painstakingly to prepare the items that are still beautiful and visible in St. Andrew Church. Herewith is the original description of the Church by Mr. Frew to acquaint our parishioners, both young and old, with the art and history that accompanies their church through the years. "In Munich, Germany, craftsmen made the stained glass windows - a \$5000.00 one 20 feet in diameter for the front, five worth \$2000.00 each for above the altar. They began the colored panes for the north and south transept windows which will require the winter to complete. In workshops of the Vatican, the best of the Old World craftsmen fashioned bronze grillwork to grace the front of the radiators, and four bronze ornamental gates in the long altar rail, as well as the crucifixes for over the holy water fonts. At Pietra Santa, workmen quarried the marble by hand. The marble in many shades and patterns was fashioned by other craftsmen into hundreds of intricate

Virgin Mary Altar

inlays, columns and soft lustered slabs for this church. Even the radiator covers are marble slabs.

The ultimate in workmanship is seen in the many pieces of statuary. A single piece may be composed of as many as 15 different shades, colors, and types of marble skillfully joined and fused and so vivid as to appear to have been painted. Facial expression of the saints portrayed minute details of lock of hair, fingernails, fresh tinted stone, and pose and posture are superb in their perfection. One statue is THE ONLY ONE OF ITS KIND IN THE WESTERN HEMISPHERE AND ONE OF ONLY A FEW IN THE WORLD. This is of Blessed Mother of the Gospels, in which Mary

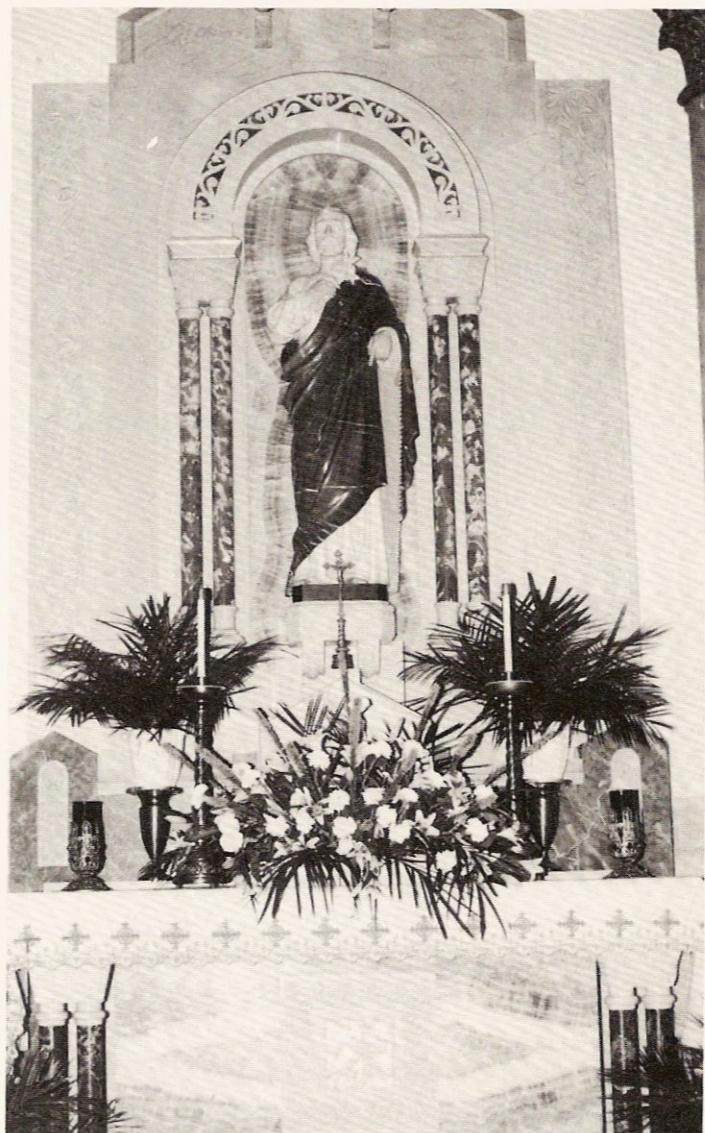

St. Andrew Statue

is depicted in a pose of teaching to the multitudes. Beside it at the front of the nave stands one of Christ known as the Sacred Heart of Jesus \*(pictured on page 28) in a pose of blessing with extended hands. On the opposite side of the church is a statue of St. Andrew the Apostle dying on a forked cross. Beside him is one of St. Joseph, patron saint of the working men, which is a study in detail. A long saw he carries looks like polished steel. Actually it is a thin blade of polished marble of that hue. Other large statues are of St. Francis of Assisi and St. Anthony of Padua. Shrines set into the walls depict St. Ann, mother of Mary; Our Lady of Perpetual Help (mosaic made up of thousands of tiny stone fragments); Infant Jesus of Prague; Our Lady of Fatima and the three shepherd children to whom she appeared.

One of the largest shrines and most intricate in workmanship, is one dedicated to the souls in purgatory made entirely of marble quarried in Belgium. This shrine features a marble altar. Below it is a bier faced with more wrought bronze grillwork and behind which is an alabaster figure of Christ on the bier. Lights bring out the detail of this work of art which was copied by special permission from one in a Spanish archdiocese.

On the ceiling of the arch, painted by hand, are representation of the serpents of sin and the doves of innocence. A mosaic set into the rear wall is topped by two peacocks, their splendor set out in minute details by the

St. Joseph Altar

several thousand tiny colored marble slivers arranged by Vatican artisans. Opposite this shrine, in the south wall is an arched baptismal shrine with a baptismal font of marble quarried from France, covered with a hand wrought bronze lid. Above are small bronze statues of Sts. Cyril and Methodius, who brought Catholicism to Poland 1,000 years ago. Small block paintings inside the arched roof depict the baptismal shell and the fish symbol of Christianity, and the wall likewise is adorned with an intricate work in mosaic of John the Baptist baptizing Christ. The 14 Stations of the Cross around the walls of the nave are pictures depicting the significance of each station. The striking oil colors are painted on sheets of polished copper.

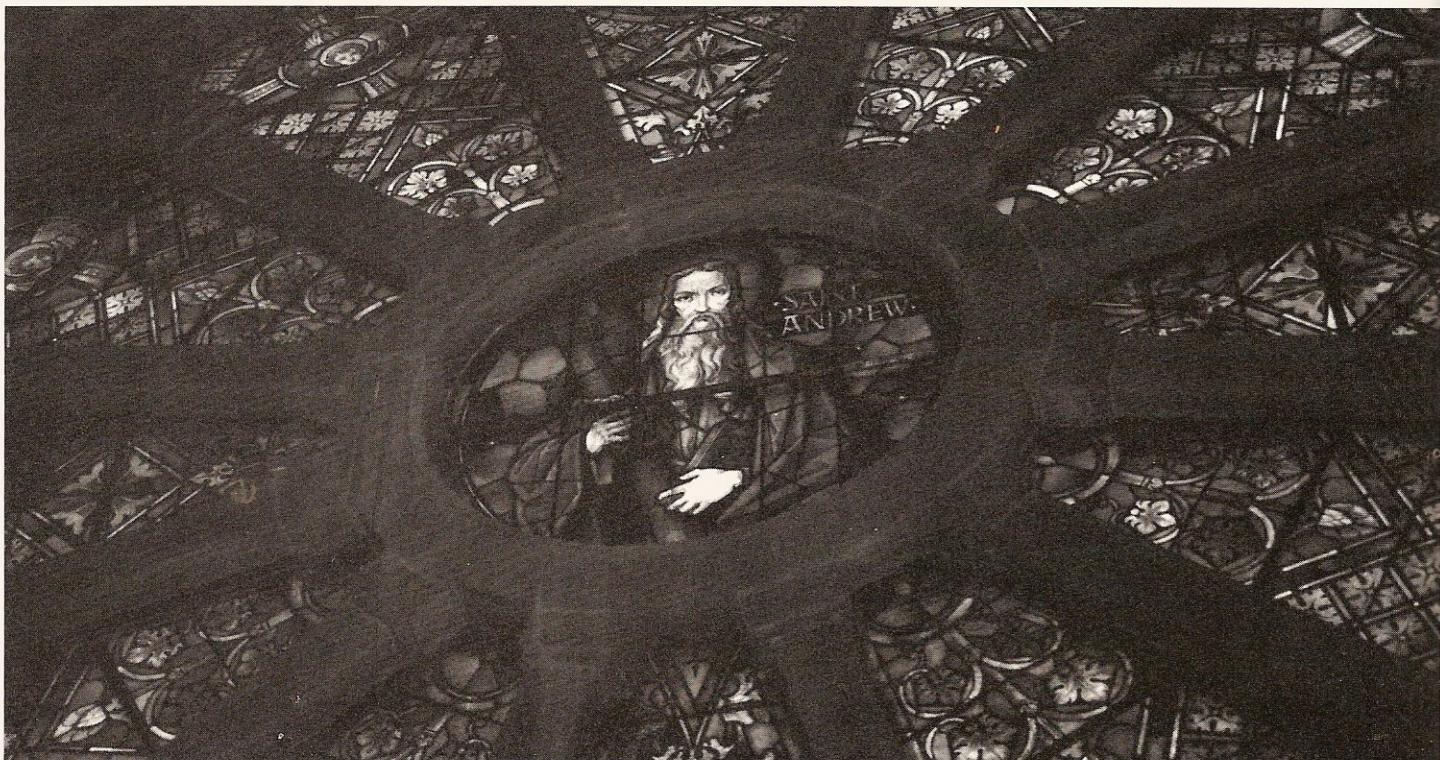

The stained windows high in the church

represent the 15 mysteries of the Rosary. Five above the altar symbolize the Joyful; five on the north wall, the Sorrowful; and five on the south wall, the Glorious. Former stone walls and ceiling were plastered over, and a pattern of pastel colored stone simulated realistically. Pillars of metals were disguised to resemble stone, their capstones decorated with gold leaf. From the ceiling are suspended 23 ornamental light fixtures, glittering with bronze trim, concealing lights which can illuminate either the top or lower half, or both of the nave. (Two loudspeakers powerful enough to surround the church with sound hang from the top of the sanctuary arch almost unnoticeable, replacing the concealed speakers in the light fixture.

Above and at the rear of the nave is the choir loft. In it is a specially built organ, its pipes towering above the loft on each side. Centered between the organ pipes is a 20 ft. stained glass window circular with a flower petal arrangement of its parts. In the center of the window is an image of St. Andrew, patron of the parish and of the Senior Choir. Around him are images of King David, patron of music in the Old Testament; St. Cecilia, patroness of music in the New Testament, and patroness of

St. Joseph Side Altar on Holy Thursday

St. Andrew Window

the Junior Choir; St. Gregory, Pope who inaugurated the Gregorian Chant, official music of the church; and Pope Pius X, who fostered use of chant and music in church. The 10 stained windows along the upper sides of the nave betoken religious symbolism and four in the transept portray faith, hope, charity and salvation.

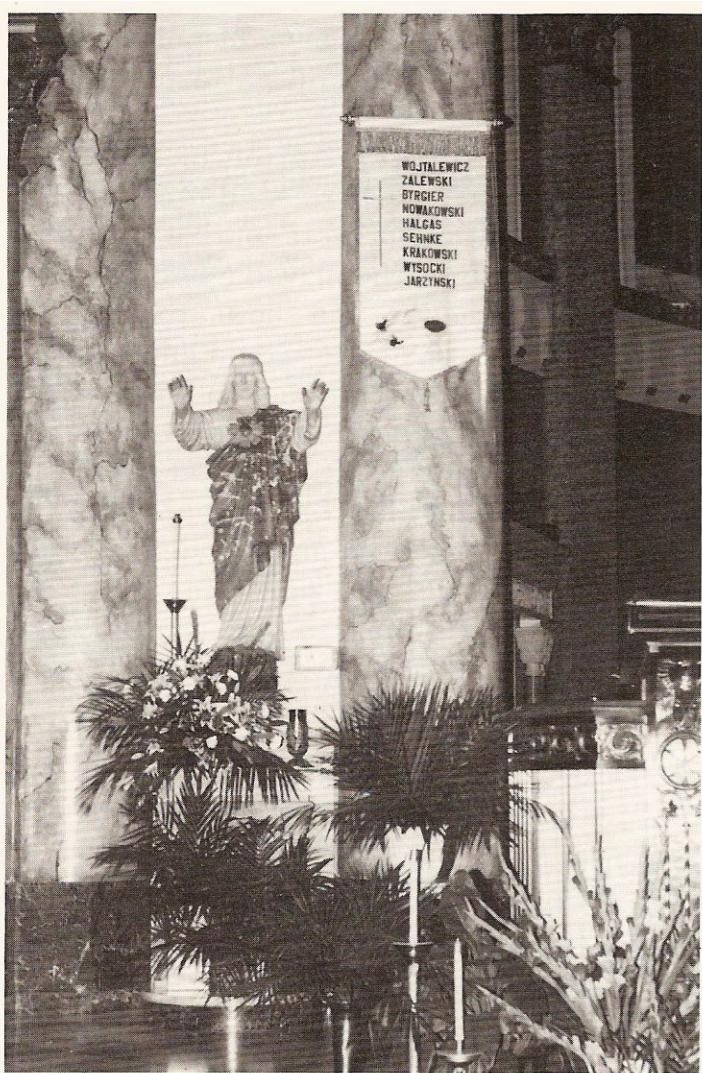

Coat of Arms of the Pope and of Samuel Cardinal Stritch, archbishop of Chicago, grace the vestibule. Fine work in the gold leaf painting gives the curved back wall of the sanctuary behind the altar, the appearance of being covered with embroidered tapestry. Despite the works of art and the redecorating involving more than 100 shades and hues, the overall color scheme blends subtly, and has a restful and pleasant effect. Even the high

wainscoting around the nave blends some 15 colors of marble, in inlaid patterns, almost unnoticeably."

Missing in the description of Mr. Frew were the main altar, a huge marble masterpiece with two white marble angels on guard on each end; the movable bronze pulpit that was later added, and the marble statues of the four evangelists that stand guard facing the altar from the vestibule. In spite of the remodeling that was done recently and the carpeting of the church to help acoustically, everything seems to have been kept or preserved and enhanced and blended together to give the people and parishioners of St. Andrew a place of worship they can be proud of, and the generations after them. Let us help preserve what we have and treasure it.

## COPIES OF INTERESTING LETTERS FROM THE ARCHIVES OF THE ARCHDIOCESE OF CHICAGO

West Hammond Ill, June 16-21.

Tony Rev. Dr. Edward J. Tobin D.D.  
740 Cass St, Chicago Ill.

Dear Monsignor:

When I was appointed pastor of St. Andrew's Parish at West Hammond Ill. I took charge of same with the understanding that the old regime shall entirely cease.

However, the committee in said parish as yet has not resigned. Please send me a written statement that I may read from the pulpit to the people, expressing the order of His Grace that the Committee ceases to exist, since now they have a duly appointed pastor.

Likewise, please mention that two new trustees shall be appointed in the near future.

Very truly yours in Christ,

Rev. A. Halgas

ARCHDIOCESAN  
ARCHIVES  
CHICAGO

Dear Sir:

I beg to acknowledge herewith the receipt of your letter of the 26th of October, together with the petition from a number of Catholics living in West Hammond.

In answer to the same permit me to say, that I have been in West Hammond and I know the circumstances quite well. Moreover, I have had several conversations with the pastor of the church, Father Nowakowski, and it is only after mature deliberation that I have given him full charge of all of the Catholics in the town of West Hammond, for at the present time, there is no necessity of another parish in that town. Both Father Nowakowski and his assistant speak German and English, besides Polish; and besides the existing church there has quite a heavy debt, which would be placing it in considerable danger were I to allow another church to be built there at the present time. Moreover, there is no necessity for any people to be crossing the State-line as long as they have a church in their own town. By this time, the Mass in English has already been started so as to look after the spiritual welfare of all the people in West Hammond.

You realize that at the present time I have no priests to spare, and there are places in the large city of Chicago, especially in the outskirts, where there are many more than sixty or seventy families, where, if I could spare a priest, I would send him, because they are much further from a church than you are. However, I have no doubt that the time will come when West Hammond will have more than one, and perhaps more than two churches, but that time has not come yet.

Sending you and the other Catholics of the town my blessing, I beg to remain,

Very truly yours in Christ,

e Cathedral Square,

Chicago, Ill.

Dear Reverend Fathers:-

In preparation for the Eucharistic Congress you seem to have forgotten to have sent my children the Missa de Angelis. Kindly send me four dozen copies at your convenience.

Sincerely yours in Christ,

Rev. A. Halgas

Reverend A. Halgas, Pastor,  
Saint Andrew's Church,  
v West Hammond, Illinois.

Reverend dear Father:-

When you were appointed Pastor of Saint Andrew's Church, West Hammond, Illinois, it was understood by His Grace, the Most Reverend Archbishop, that the entire old regime should cease. This is his desire, and I hereby notify you that any Committee which existed before you assumed charge of the Parish automatically ceased with your appointment as Pastor. His Grace holds you responsible for the success of the Parish in temporal matters as well as spiritual.

In the near future His Grace will appoint two Trustees in accordance with the Diocesan Laws who will assist you as your Church Committee.

Wishing you every success and blessing in your work in West Hammond, I remain,

Sincerely yours in Xto.,

Rev. Anthony Halgas,  
St. Andrew's Church,  
West Hammond, Ill.

Chicago, Dec. 30th, 1921.

Reverend dear Father:-

We received your check of \$1138 to be applied on your Diocesan Taxes, and wish to thank you for the same. According to the ruling of the Archbishop, every parish must pay its quota for the Associated Catholic Charities, and by so doing, is dispensed from the payment of its Orphan Tax. Your quota for the Charities is \$750, and as you have paid \$413, there is a balance due of \$337. We have, therefore, forwarded your Orphan Tax of \$334 to Charity Office. If you will send the Charity Office \$3.00, you will have fulfilled your quota for the year 1921.

Trusting that the above is clear to you, I remain --

Chicago, May 26th, 1926.

Rev. A. Halgas,  
St. Andrew's Church,  
Calumet City, Ill.

Reverend dear Father:-

Owing to decoration day falling on Sunday and to avoid the possibility of Catholics missing Mass, it was decided advisable by His Eminence to discontinue the practice of giving such permissions. It will, therefore, be impossible to grant your request.

## LAY CORNERSTONE OF CALUMET CITY CHURCH SUNDAY

Rt. Rev. B. J. Sheil, D.D., to  
Officiate at St. Andrew's  
Church, Sunday, 3 P.M.

Parishioners of St. Andrew's church, Calumet City, directed by their pastor, the Very Rev. Msgr. A. Halgas, will manifest public demonstration of their progress in the faith on Sunday, July 27th, when the cornerstone of the new church edifice at 115th street and Lincoln avenue, will be laid. The Rt. Rev. B. J. Sheil, D.D., auxiliary bishop of Chicago, will officiate at the ceremonies which will begin at 3 o'clock.

The event will be made one of community interest. The Bishop and distinguished visitors will be met by delegations of the various parish societies and the children of the parish school. Assisting His Lordship at the dedication will be the Rev. Vincent Novicki, pastor of St. Florian church, as deacon and the Rev. B. M. Niec, formerly assistant at St. Andrew's as subdeacon. The sermon will be preached by the Rev. S. V. Bona, D.D., pastor of St. Casimir's church.

St. Andrew's represents one of the most progressive parish units in the southeastern Chicago area. Parish property consists of a school, the basement of which has been used for church purposes since the burning of the old church some years ago, a rectory, and sisters' convent. The school has an attendance of about 800 pupils in charge of fourteen Sisters of Nazareth.

In the new church which it is expected will be completed and ready for occupancy early in the summer of 1931, there will be a seating capacity of 1,100. The edifice is of red brick with Bedford stone trim following a Romanesque style of architecture according to plans drawn by Sandel and Strong.

It is 175 feet long and 96 feet wide and will be completed at a cost of \$250,000.

Monsignor Halgas is assisted by two curates, the Rev. Edward Czarny and the Rev. R. J. Zock.

# REMEMBER WHEN.....

- \*If a lady didn't have a hat for church, she used a chapel veil or Kleenex.
- \*Easter Sunrise Service at 5:30 a.m. Children were in procession carrying flowers.
- \*The Easter finery everyone wore especially the flowery Easter bonnets and corsages.
- \*It was a sin to eat meat on Friday.
- \*During the lenten season we gave up candy, movies, and dancing.
- \*All students attended the 8:00 a.m. Mass daily before classes and attended the Sunday Mass as a class.
- \*The Medical Mission group of ladies was in constant need of men's old white shirts for hospital gowns and white sheets for bandages.
- \*The Alumni Teen Club of the parish held weekly dances in the hall in the basement of the old school.
- \*The "honor award" ribbons given to the school children each year in recognition of their school grades - 1st Honor, 2nd Honor, 3rd Honor, and Perfect Attendance.
- \*The packed church at our Forty Hours Devotion and the procession at the closing ceremony with all the visiting priests.
- \*The two o'clock afternoon vespers held each Sunday.
- \*The visiting missionary who conducted our yearly mission services.
- \*The priest celebrating the Latin Mass with his back to the congregation.
- \*The very young students belonging to the Guardian Angel Society.
- \*The operetta, Polish comedies and minstrel show performed by various members of the societies.
- \*The earlier Paczkowi Bal with thousands of paczki being served, a king and queen of the ball being selected, dancing to a Polish orchestra, and the lucky winner finding a diamond in one of the paczki.
- \*On August 15, the Feast of the Assumption, parishioners came to church carrying flowers from their garden to be blessed.
- \*"Skrytka" was the room where coats were hung in the school and those misbehaving were escorted to this room by the teacher for punishment.
- \*School tuition was .75¢ a month plus .05¢ for "porzadek."
- \*New parishioners from South Chicago churches joined the parish and became a very active and important group.
  - The late Anthony J. Moss, father of Clement Moss, reminisced at the parish's 75th Anniversary Banquet ....
  - ....After the destruction of the church by a tornado, Father Wojtalewicz was a real "pusher" getting the second church built within 85 days from the start of construction.
  - ....Father Wojtalewicz visited Chicago residents from St. Josaphat parish in 1899 soliciting contributions from those who purchased lots in the West Hammond sub-division.
  - ....A fire destroyed the Hammond Packing plant in 1903 resulting in loss of employment and many parishioners moving back to Chicago.
  - ....Father Nowakowski had unusual talents; he was a self styled painter with many of his work hanging on the rectory walls. One was painted in three days for a drama, St. Dorothy, staged by the Literary Circle, (Kolko Literackie). With his gift of magnetism he would ease the tension in many ailing bedridden patients in the parish.
  - ....At an annual bazaar, Father Nowakowski stepped between two fighting men on the school grounds and in the scuffle, he received a belt on the chest. Father landed one on the jaw that put the toughy down for the count. A parishioner seeing this, said, "Father, in your sermon this morning, you told us to love our neighbor." Father replied: "Correct. Do as I tell you. This guy on the ground didn't hear me this morning, so this is just another way of communicating my sermon to him."
  - ....Father Halgas had invited a priest to assist at a solemn funeral Mass. An emergency prevented the invited priest from keeping his appointment so Father hurriedly phoned Father Louis Bozik from North Hammond to come immediately. Father Bozik grabbed his cassock and Roman collar, threw them in his Dodge and came speeding to Calumet City. Marion Kowalski, our motorcycle cop caught up with him and was going to give him a ticket but Father Louis convinced him that he was a priest going to a funeral. When they arrived, the church bells were tolling and Father Halgas in his excitement told Marion, "Nie badruj ksiedza. Jedz, jedz, z tym bajsylem. Widzisz Czechanski juz idzie z pogrzebem."

I want to congratulate you on the liquidation of your indebtedness. Really you have done a good big work. I remember the first time I visited your parish. I know that you are as satisfied as I am.

## Two Region Men Killed, 17 Reported Wounded

Two Calumet region men were killed and 17 have been wounded in action in European and Pacific battles, according to war department information, released today.

Pfc. Frank "Butch" Miotke, a brother of Mrs. Violet Kubus, 245-154th place, Calumet City, was killed in action March 5 on Luzon, while fighting with an infantry division there.

Overseas for almost two years, Pfc. Miotke was stationed in New Guinea and the Netherlands East Indies before going into action in the Philippines.

An employee of the American Steel foundries in Hammond, Pfc. Miotke entered the service in October, 1942.

He has two brothers in the service, Cpl. Bernard in Camp Breckin-

# WORLD WAR II - 1940'S

During World War II, a Military Committee was established by a group from the Young Ladies' Sodality with the assistance of Rev. George Gorski. A monthly newspaper entitled "ST. **LONG MAY IT WAVE**

DOTS AND DASHES . . . . .

ANTHONY HAYDUK, Ph M2/c, is now attending an advanced school in pharmacy.

The best part of PFC. ANDREW KAMINSKI'S seven-day furlough in London was a picnic he enjoyed with an English family.

T/5 "SCOTTIE" KOPERCINSKI'S been appointed the barber of his Battery. If New Guinea wasn't so far from Cal City he'd probably have a lot of home town customers.

At the time of his last letter A/C CHARLES FOREMBA was in hope of getting a 21-day furlough from Pre-Flight School, Texas. The next "Beacon" will tell the tale of whether or not he got it.

PFC. LEONARD VICTOR and ROMAN JERCHKA are in the Hawaiian Islands and want all fellows stationed there to write in for their address so that you can all get together. Not a bad idea!!!

Aside from the fox holes, bomb craters and demolished buildings, CPL. MAT MATWICZAK finds the scenery in Burma mighty beautiful.

PVT. FRANK WENZLOWSKI'S (Okla.) sergeant won the favor of his men when he gave them a two-day pass.

Since the publication of the last "Beacon" PFC. EDWIN SUMERACKI'S been shipped to France.

On this day, remember our deceased servicemen - Frank Bulczak - Richard Czerwinski - Chester Kaszak - Edward Kachnowski - Eugene Kowalski - Leonard Miotke - Clarence Richwalski - Clarence Wojciehowski.

A Blessed Christmas to all of you and may God grant your safe return.

SGT. LOUIS D. KASZAK, an aerial engineer of the 15th AAF B-17 Flying Fortress, has been awarded the Air Medal for "meritorious achievement" while participating in aerial flight.

Trying to silence a guy who keeps singing even in his sleep is the problem confronting PFC. PHILIP ADAMKIEWICZ stationed in Netherland East Indies.

On his way back from church on Sunday morn in France, SGT. TONY FURMAN met RAY CZERNIAK...While in England T/5 CHESTER MAGDZIAK met two guys from Cal City whose last names are KANEWSKI and SOKOLOWSKI.....FRANK FILAS ran into CLARENCE FLEMING while visiting in London.

Stepping into mud knee-deep is a common occurrence for CPL. LOU GORNOWSKI, who is with the 5th Army in Italy.

STANLEY SIKORSKI was just made a PFC. and received a Good Conduct medal and Pacific Theater of War ribbon.

Being attached to the Railroad Division made it possible for T/5 CHESTER MAGDZIAK to see the greater part of England and now France.

PVT. HANK LESSNER (S.W.P.A.) came across a picture of PVT. EMILY CZECHANSKI kneeling at the Birth Place of Christ at the Church of the Nativity in Jerusalem and sent us a copy of it. Thanks, Hank.

When in London PFC. FRANK SZYMONIAK found a "Polish Inn" and really enjoyed eating "gozambki" once again.

WILLIAM LESCZYNSKI, GM 2/c, is in quite a predicament. He can't tell us where he is where he has been or about anything he's seen. All we know is that he's overseas.

Gee, we have prospects of getting some gum after the holidays from PFC. EDDIE SCHAB.

We nearly froze out here in C.C. at the end of October while SGT. IRENE TABORSKI and a few of her WAC friends were still able to go swimming in an outdoor pool in Texas at that time of the year.

A card from SGT. "TONY" FURMAN let us know he's still in the best of health even though the weather is a bit rainy in France.

PERSONAL TO SGT. CHARLES VESOLOWSKI: Lucian Foremba is now in India.

SGT. FRANK TOMKUTONIS is entitled to wear the blue and gold framed distinguished unit badge, the only army award worn above the right hand blouse pocket. His unit has been cited by the president for "outstanding performance of duty in armed conflict with the enemy". This was the first B-26 group in the 12th AAF to complete 400 missions and as the presidential citation mentions, flew 215 missions between January 1944 and July 1944.

S/SGT. HENRY MAGDZIAK has been awarded the Purple Heart Medal after having been wounded in France..... PVT. HENRY LITZAN, paratrooper, wounded in Holland, has been awarded the Purple Heart medal and citation. He is now in a Chicago hospital.

We received a double "Merry Christmas" greeting from Cpl. Edward Kaminski. From the appearance of the two Christmas cards he sent we guess he's in France or Italy. Which is it Ed, or can't you say?

SGT. FELIX SOKOLOWSKI sends his "good luck" wishes from England to GEORGE DEERING, FRANK MIOTKE, RAY NOWACZYK and BENNY KOLBUS. "Shorty" is eager to meet you boys at the Silver Slipper when all this blows over.

SGT. HENRY KONIARSKY will celebrate his second wedding anniversary on December 26th at the Army Air Base in Richmond, Virginia. That's two down and at least 48 more to go!

Here's some lowdown on the latest roaminings of the KUDRZYK family taken from AL'S letter. AL is stationed in Hawaii where he claims the heat is terrific. CHESTER is in England and has seen plenty of action since he's participated in many bombing missions. ED is now somewhere in Netherland East Indies. The greater majority of his three years in service have been spent overseas.

BENNY WILCZYNSKI sure does get around! The last stop he made was in the West Indies.

The Army is really doing "all right" by PVT. AL MUSCHELEWICZ. He's gained ten pounds since he joined it's ranks. He'll be a perfect 36 when he gets out!

## CERTIE CALLS

Joan?.... Gertie.... Have you sent your letter to Santa yet?.... Or haven't you been behaving lately?.. Me? You know I always behave.... I know what you're thinking so let's get on with the news... Did you know that RAY NOWACZYK was God-father to his new nephew and his brother CLARENCE was home to celebrate the occasion.... I saw JOE GOLDYS as he drove up to Eleanor Tutlewski's house the day he came home on furlough... He's wearing Sergeant's stripes now .... Eleanor's brother, WALTER, was home on furlough also.... I heard ED GODLEWSKI brought back many pretty souvenirs from South America.... By the way, CORRINE CWIK attended Mass with the Sodality.... She sure looks good in her Air Wac Uniform..... The Choir members were very glad to have JOHNNY PARTYKA and LEN RYBANDT back on the choir a couple Sundays ago.. LT. RYBACZYK and LT. CZECHANSKI were seen around town lately..... Have you heard the news about JOHN TOMASZEWSKI being the proud papa of a baby boy named Donald John?... Did you see NORBERT GRZBOWSKI driving Whitey's station wagon?..... Gee, there were quite a few Marines in town lately..... WALLY KUZMIN, TED MAJCHEREK, LEONARD DUCZAK and LEONARD CIEPLUCHA. Each of them has their own set of experiences to reveal.... CHESTER SKORUPKA has taken a sudden interest in North Hammond ..... must be because a certain ELEANORE ZATORSKI lives there..... Oh yes, I was introduced to EDDIE HEINTZ'S English bride at the dedication program held by the American Legion.. She sure is a sweet girl... Wonder where GEORGE KAMRADT was going when I saw him waiting for a bus last night..... CLEM OWCZARZAK was home on furlough after being confined to the Mayo General Hospital for quite some time.. Yea, I read about LEONARD FIEDEROWICZ'S engagement to MARY KOVACK..... I've got a few more gifts to wrap so I'll better quit talking for now..... MERRY CHRISTMAS AND A HAPPY NEW YEAR!!!!

stice day ceremonies held by Calumet City American Legion Post 330.

Seven members of the Young Ladies Sodality attended a retreat held at the Lourdes High School in Chicago on November 19th.

Members of Club 33 are already making plans for their annual New Year's Eve Dance.

Fr. Stephen Bernas, formerly an assistant in our parish, left for New York City on November 11, where he has been appointed to a position of responsibility for the church. He has become a member of the Catholic War Conference Commission which distributes all money and material which the church gives for assistance of those needy persons in war-torn countries.

Home on leave recently from naval duties, Conrad Pochron brought the news that he had been promoted from Seaman 2/c to Third Class Petty Officer. Conrad has made three trips across to Europe and serves aboard a convoy as signalman.

## CHESTER KASZAK DIES IN ITALY

Pvt. Chester Kaszak was reported killed in action in Italy on October 17, 1944.

## RETROSPECT

Looking back to 1937 who could forget the eighth grade fellows and girls playing volley ball. Leonard Duszinski, alias "Ducks" was always dashing about with the ball knocking down a few unsuspecting girls.

Eugene Bradtke's Model T was quite the car to go to a football game, especially with Ray Manusak draped over the radiator holding a flashlight to provide a headlight and Ed Muschelewicz hanging on the running board with a lantern for the tail light. You wouldn't think that a Model T could hold ten passengers, but it usually did.

Who could ever forget the choir operetta with Al Madryk as the jolly professor and John Partyka, Leonard Ciastko, "Scottie" Kopercinski, Leonard and Paul Rybandt, Chester Kaszak, "Mugsey" Magdziarz and Frank Buyer as his very naughty pupils. After many weeks of tonsil straining they finally succeeded in getting it right

A familiar sight on 155th place in the year 1939 was Jerome Janiak cruising around in his home-made midget car which usually didn't run for more than a few minutes. "Casey" Kwiatkowski and Clarence Goranowski were always on hand to give him a push and then when they finally did get it going the wheels would fall off!!

Many "Hot" basketball games were enjoyed in the alley behind Ted and Irvin Pietrzak's home. Louis Goranowski, Frank and Mack Budzowski usually joined Ted and Irvin. The basket was always an old bushel basket nailed to a lamp post.

Detailed instructions on how a sari should be properly draped was sent in by PVT. ALLIE JARZEMBOWSKI who is stationed in India. ALLIE'S been in the hospital out there with an ear injury for almost a month. Glad to hear your O.K. now Allie.

T/SGT. EUGENE DRATWA, stationed in French West Africa, sends his Christmas and New Year greeting to all Club Orion members.

## Calumet City Trio Meets in Guadalcanal

Three former Thornton Fractional high school students are an impromptu "homecoming" celebration on Guadalcanal recently, according to a letter received by the parents of one of the trio.

He is Pvt. Eugene Kolesky, 20-year-old son of Mr. and Mrs. Joseph Kolesky, 2200th street. Charles met his close set months of service there qualifies him as one of the veteran marines in the victorious battle.

In a letter dated Jan. 21—and received March 11—Pvt. Kolesky said that he is serving in the 1st Div. of Calumet City, with whom he entered service last June, and Charles Linky, also of Calumet City.

Kolesky and Linky were separated at San Diego, Calif., shortly after entering boot training and hadn't met each other until their meeting on Guadalcanal, the letter indicated, adding that the former is healthy, happy and has plenty of stories to tell on an expected early furlough.

Entering the army and navy at the same time in July last year, the two Polus brothers, Sgt. Paul and Thomas, seaman second class, are serving their country together.

Sgt. Paul is stationed at Camp Livingston, La., where he is a ward master with the 19th general hospital. Twenty-one years young, Calumet City youth was employed at the Viking Engineering company, Hammond, with his brother, before entering the armed forces.

Manuszak was inducted December, 1941, and trained at Ft. Benning, Ga. He was a member of Thornton Fractional and before his induction was employed at a filling station.

Cpl. Manuszak's brother, George, who has been serving his country in Detroit, recently sent word of his promotion to sergeant. He also attended Thornton Fractional high school and was inducted September, 1942.

## Radio Instructor

Cpl. Stanley Rogalski

## 'RICKY' DLUZAK A REAL HERO

One of "Ricky" Dluzak's buddies wants to see his hero pal receive his just reward in the way of home town recognition.

So, Lt. R. A. Seay of the navy has written the Hammond Times in detail of Dluzak's exploits, which have earned for the Calumet City boxer and Thornton Fractional football star several citations and decorations.

Dluzak, a deck engineer officer in the merchant marine, was in the European theater on a vessel which was repeatedly shelled, cutting the air, but he remained to see that every man was safe and important papers destroyed.

**SPECIAL ANNOUNCEMENT**

We are happy to announce that because of their excellent record, our two assistants, Father Walter Stefanski and Father Eugene Siedlecki, were promoted to parishes to take effect this week. Although we are really sorry that they have to leave, yet we are happy for their promotions and wish them all of God's blessings.

Father Stefanski will become pastor of St. Joseph's in Chicago Heights.

Father Siedlecki will become pastor of St. Joseph's in Summit.

The parish is losing two excellent priests and only ONE priest is assigned to replace them. This has become quite common in the diocese because of the extreme shortage of priests. In view of this shortage as it affects this parish, we must eliminate one Mass and rearrange the Sunday Mass hours.

The best schedule we could devise, at least temporarily, will be the following to go into effect next Sunday:

6:00 a.m.	Low Mass
8:00 a.m.	Low Mass (children)
9:30 a.m.	High Mass (Polish)
11:00 a.m.	Low Mass
12:15 noon	Low Mass
5:00 p.m.	Low Mass

Because of the extreme conditions, please accept the changes kindly and cooperate with us whole-heartedly. We know you will, and God bless you for it.

Again, we congratulate the new pastors and welcome the new assistant, Father Bruno Szoszawski.

### PARISH SCHOOL BOARD

The St. Andrew the Apostle School Board has been established in the firm belief that dedicated and concerned lay leadership, active parental involvement and shared responsibility within the parish are necessary ingredients for the effective function of St. Andrew School.

### SCHOOL BENEFIT ASSOCIATION

Made up of members of the parish and school with its main purpose to help defray operating expenses of the school and maintain a reasonable tuition rate.

### SCHOOL BUS TRANSPORTATION COMMITTEE

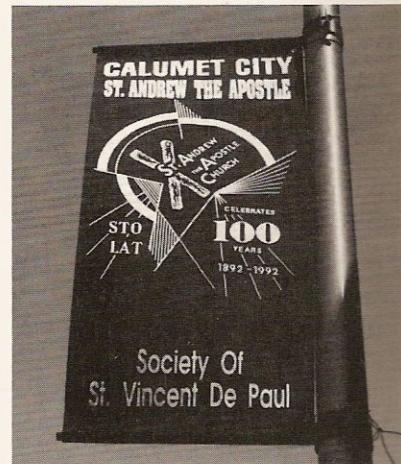

A group of mothers of school children dedicated to raising funds to assure that the school children can have transportation to and from the school throughout the school year.

### THE SOCIETY OF ST. VINCENT DE PAUL

The Society of St. Vincent DePaul has been serving the needy of St. Andrew Parish for over 40 years with a founding date of June, 1949. The first meeting took place on June 9, 1949 with ten men dedicated to works of charity. After providing assistance to the needy for four years since its inception, the Central Office of the Society of St. Vincent DePaul in the Archdiocese of Chicago presented the St. Andrew Conference with its papers of aggregation, listing a membership of fifteen.

The members meet weekly in the parish rectory to discuss needy cases that need immediate attention. At the conclusion of each meeting, a secret collection is held among the members who reach into their pockets and make contributions to the organization. Their duties also include visits to needy families who seek assistance. For many years they were devoted to visiting the patients at Oak Forest Hospital after the celebration of a Mass. Distribution of Catholic periodicals were made to the patients.

From November of 1953 through December of 1973, they

published the Sunday Church Bulletin at no cost to the parish. Funds were derived from the ads placed by various business establishments. Their work is tremendous and this is a labor of love for the members; their good deeds are known by those who have been recipients.

### OKTOBERFEST COMMITTEE

This is a harvest festival originating hundreds of years ago in Germany, particularly in the Southern part, Bavaria. This festival lasts for weeks with parades, music, and activities in which the whole region, especially the farmers and their families get together and enjoy themselves in thanksgiving for the harvest of the year.

To honor the German immigrants and the German settlers of Calumet City and St. Andrew, this ethnic tradition was started in October of 1988 at the parish. St. Andrew parishioners of German descent gather together to prepare for the celebration and every year since its inception, it has become a tradition in the parish to recreate this harvest feast during late September or October. "Leni" Woszczynski has chaired this event each year.

## 100TH ANNIVERSARY OF LADIES ROSARY CONFRATERNITY LADIES' ROSARY CONFRATERNITY

With the assistance of Reverend Francis Wojtalewicz, the Confraternity was formed in 1892 by a few women in the parish who were members of the Third Order of St. Francis. They found there was a need for assistance with funeral expenses for women in the parish. To remedy this, they arranged for funeral insurance, wherein, the membership paid monthly dues of ten cents.

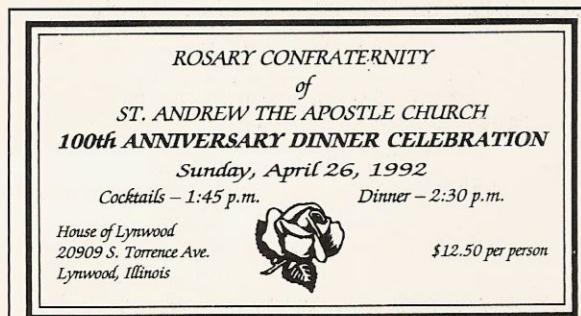

That was 100 years ago .... today the purpose and mission is to promote the spiritual welfare of the members, to help with funeral expenses for those still entitled, to strengthen devotion to Our

Blessed Mother, to assist the pastor in any activity which he designates for this organization, and to participate in the Cardinal's Action Program. The Ladies Rosary Confraternity is affiliated with the Confraternity of the Most Holy Rosary founded by St. Dominic, as registered with the Dominican Confraternities on November 26, 1947, and the Archdiocesan Council of Catholic Women.

The organization is divided into component parts called Roses. Fifteen ladies make up the membership of each individual Rose.

# ST. RITA'S ALTAR GUILD

## HISTORY

The first meeting of the Society of Charity under the care of Matki Boskiej Krolowej Korony Polskiej (Our Lady Queen of Poland) was held on March 16, 1925. Pastor Anthony Halgas was Chaplain. This Society was open to married and single ladies of the parish. Jadwiga Kamradt was the first president. There were 39 charter members. In May of 1932, the name of the organization was changed to "Sw. Ryty Towarzystwo" (St. Rita Society). Since its beginning, they worked for the good of the Church and Parish. Donations were made to help the nuns as well as contributing towards flowers for the altar. In the early 1940's the organization began to concentrate on supplying altar cloths, vigil lights, surplices, chasubles, and other needs. Mrs. Mary Bradtke was the longest reigning President of the group having served a total of sixteen years. In 1972, the name of the organization was changed to St. Rita's Altar Guild.

### 90TH ANNIVERSARY MASS AND DINNER

#### APOSTLESHIP OF PRAYER

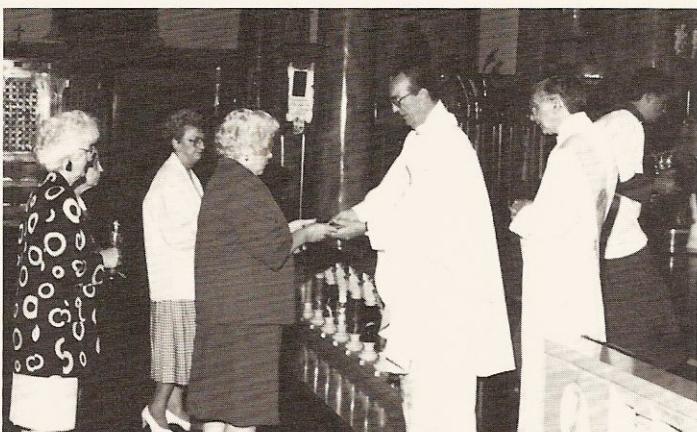

This is a world-wide society or association of Catholics who strive to make their ordinary, everyday lives apostolically effective. They do this by offering themselves and everything they do each day in union with Christ's sacrifice in the Mass. The Apostleship of Prayer offers its members a five-point program of spirituality: (1) The Eucharist and the Daily Offering; (2) The Sacred Heart Devotion; (3) The Devotion to Mary; (4) Loyal Concern for the Church; (5) A Spirit of Prayer. The Apostleship of Prayer was organized at St. Andrew Parish on July 15, 1902.

George Laczny

George Laczny receiving plaque from Rev. Michael Alcantara for being named Outstanding Member

George Laczny, Past President and "heart of the organization". George was honored by the Cardinal for his dedication in promoting the Holy Name Society. He dedicated much of his life helping St. Andrew Parish grow. He was founder of the annual "Paczkowy Bal" which is still going strong almost 20 years later. He organized pancake breakfasts and children's Christmas parties and was one of the organizers of the Athletic Association. Although George is gone, his spirit lives on in the church he loved so much — St. Andrew.

## ST. ANDREW THE APOSTLE CHOIRS

There are three choirs: The Polish Choir which has been in existence for many years beginning with the start of the parish. They mainly sing for the 9:30 Polish Mass. It is a combination of male and female voices. The English Choir was begun in 1978 and they sing at the 11:00 a.m. Mass. In 1981, under the director of John Mikulski, the Resurrection Choir was formed to sing at funerals. These choirs meet weekly for rehearsals. It was not until Faustas Strolia arrived that the talents of the choirs were combined. Many letters of praise were sent commending Director Strolia for the cantata, SEVEN LAST WORDS OF CHRIST, as well as the performances of the Choirs and Orchestra at the Inaugural and Closing Masses of the Centennial. Congratulations for a job well done! The first organist was Michael Trzebiatowski followed by Carl Kowalski, Casey Stefaniak, Henry Strugalski, John Mikulski, Stanley Wawryszyn, Henry DiChristofano, Faustas Strolia.

### *St. Andrew's Choir Members Honored*

Miss Viola Bednarski and Mrs. Florence Kwiatkowski celebrated 25 years of loyal service to the choir of St. Andrew's church, Calumet City, on Monday evening, when members of the organization arranged a lovely party. For an entertaining program, Miss Genevieve Wojcik and a chorus, consisting of the Misses Florence Godlewski, Genevieve Rychwalski, Dorothy Litzan, Rita Panfil, and Adeline Kieras, sang the "Indian Love Call," and the "Italian Street Song;" a violin solo was given by the organist, Casey Stefaniak; Miss Kieras, the president of the club, gave a Polish greeting and a piano solo was played by Miss Florence Ratajczak.

As dinner was being served, Miss Rose Litzan and Miss Kieras sang "Fleeting Days." The honored guests then received silver rosaries from the club in appreciation of their faithfulness to the organization. The decorations for the affair were kept close to the silver trend.

Several notices were placed in the church bulletin informing the seniors regarding organizing the club. A group of 134 seniors attended the meeting; the name of St. Andrew the Apostle Sunshine Club and the motto "You Don't Have to Walk Alone" was adopted. The following officers were installed by Reverend Ervin Wysocki, Pastor: President Walter Gurtatowski; Vice President Alice Maczynski; Recording Secretary Helen Laskowski; Financial Secretary Helen Idec, Treasurer Dorothy Wolski; and Trustees Florence Wiertick and Stanley Kazmierczak.

The club was organized to bring a support system to each other combating loneliness and encouraging social and religious activities as well as creating a united front to make their voices heard.

The first presentation was a welcome by the club president, Miss Esther Walerowicz, who spoke on the behalf of the sodality. Then Miss Rose Litzen and Miss Julia Nowak, members of the sodality with exceptionally beautiful voices sang a duet "Ave Maria" and "Mother of Mine". They were accompanied by Miss Christine Wyrozumski, pianist.

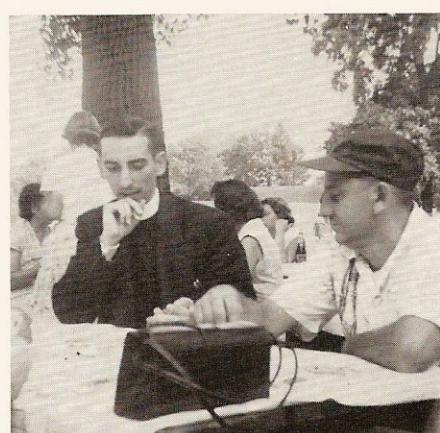

A polka dance was presented by little Elizabeth and Eugene Demboswki accompanied by their brother, Stanley. Joseph Giewartowski, Jr., the featured violinist attracted the attention of the audience as he expertly offered the "Blue Danube Waltz" and "Silver Threads Among the Gold." He also was accompanied by Miss Wyrozumski.

A reading, "A Mother's Heart," was given by Miss Jeanne Pinkowski, and then as a novelty number a group of the club girls presented a skit called "Two Ghosts in White." The characters included the Misses Eleanore Godlewski Doris and Loretta Gienko, Elsie Soczyk, Eleanore Walerowicz Agnes Owczarzak, Elizabeth Duszinski, and Jessie Sroka.

## THE SACRAMENT OF BAPTISM

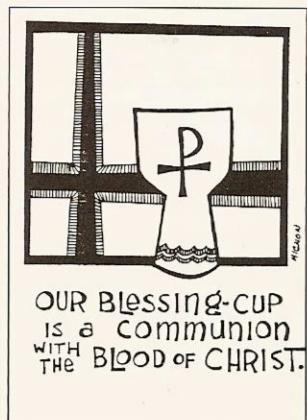

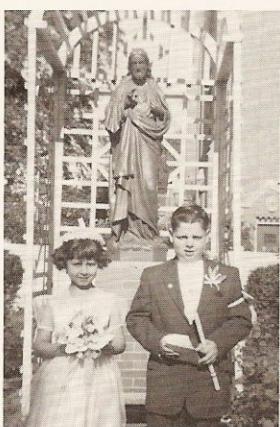

Mother's blessing after baptism of child. 1958

*Jesus came forward and addressed them in these words, "Full authority has been given to me both in heaven and on earth; go, therefore, and make disciples of all nations. Baptize them in the name of the Father, and of the Son, and of the Holy Spirit. Teach them to carry out everything I have commanded you and know that I am with you always, until the end of the world."*

*Matthew 28:18-20*

## THE SACRAMENT OF THE HOLY EUCHARIST

*During the meal Jesus took bread, blessed it, broke it, and gave it to his disciples. "Take this and eat it," he said, "this is my body." Then he took a cup, gave thanks, and gave it to them. "All of you must drink from it," he said, "for this is my blood..."*

*Mark 2:5*

*Is there anyone sick among you? He should ask for the presbyters of the church. They in turn are to pray over him, anointing him with oil in the name of the Lord. This prayer uttered in faith will reclaim the one who is ill, and the Lord will restore him to health. If he has committed any sins, forgiveness will be his. Hence declare your sins to one another and pray for one another that you may find healing.*

*James 5:14-16*

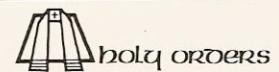

## THE SACRAMENT OF MATRIMONY

## IN MEMORIAM

Madge Kiefor  
May 8, 1993

We are very grateful to Madge Kiefor who contributed her time and talent to preserve the history of St. Andrew Parish. Madge, a very dedicated member of the Centennial History Committee, did not live to see the completed history book. She devoted many hours working on the book and is now a part of the history.

May she rest in peace!

## Your Centennial History Book Committee

Wishes to acknowledge and thank all who have participated in the preparation of this book. The efforts of those who have contributed their time, photographs and articles over the past year have made it possible for this anniversary publication to become a reality.

We hope this book will bring back many fond memories to the family and friends of the St. Andrew the Apostle community.

This centennial volume commemorating 100 years of the history of St. Andrew Parish is a result of the people who make up that history. We wish to honor those of the past who gave so much, those of the present who are living and creating today's history, and those of the future who will pick up the plow and sow a yet unknown history.

### Special Thanks To ....

.... The members of the History Committee for their untiring efforts in attending the many meetings, committee tasks and individual projects. Although the committee was small in number, enthusiasm for the project overflowed.

.... William Stachmus for his help in photographing parish events,

.... Louise Sikorski for her clerical assistance,

.... Al Parkhill of Victoria Studio for the photos of Father Ed Jarzynski and Father Michael Alcantara as well as the many other pictures appearing in the book,

.... The Archives of the Chicago Archdiocese,

.... John W. Frew, staff of The HAMMOND TIMES, for his article on the architecture of the church,

.... The individual parishioners who submitted photographs, artifacts, vignettes,

.... The many parishioners and friends of the parish who have contributed monetary donations for the many listings appearing in the book,

.... D.C. and Family for the donation of the Centennial Candle at the main altar,

.... and last but not least, Thomas Friedlund of Walsworth Publishing Company for his assistance in setting up the book.

History Committee at work, Dorothy Polus, Victoria Sobolewski, Joan Litzan, Ann Bonin, and Marge Bublis Kowalski. Not in picture: Madge Kiefor
